The Policies of Insurance must be effected in the name and on behalf of the East India Company, as the Parties interested, or endorsed to their order; but persons desirous of effecting the necessary Insurance in this Country, and of depositing the Policies in the Company's Treasury, will be allowed to do so.

5th.—In case of default being made either in acceptance, or payment of the Bills, the Court of Directors

to be authorized, in such manner and at such times as they may see fit to sell the Goods, for the purpose of re-paying the Company the amount of the Advances made thereon, including Freight and any other charges or expenses which the Company may have incurred on account of the Consignment, together with interest, should any have accrued; the Company, on the other hand, allowing discount, where any part of the proceeds shall be realized before the Bills fall due, and the settlement of either surplus or deficiency shall be made with the Consignor; and if in India or China by the Government or Agents from whom he received the Advance, at the rate of exchange at which the Company may at the time be drawing Bills upon such Government or Agents.

Zilla Beerbhoom, Collector's Office, the 30th August, 1838.

**NOTICE** is hereby given, that the undermentioned Two Allotments of Soonderbuns' Forest Land, Decreed in favor of Government by the Presidency Special Commissioner, on the 24th July, 1837, can be obtained on the usual Jungle-booree terms, upon application being made at the Office of the Commissioner of the Soonderbuns, at Allipore.

Name of Allotment.	Supposed area.	Boundaries.	Remarks.
Knowleeah Bar-risaul.	70,000	North, the Pangachee river, the Barweekhalee Khal, and the Jewdhoora river.—East, the Balissur river.—West, the Bholah river.—South, the Cheepa, Barweekhalee, and Kumarkhalee Khals.	This allotment is situated on the Western bank of the Balissur river, opposite to the cultivated lands lately resumed from the possession of the Zemindars of Pergunnah Seyadpore. It is high and dry, requiring little or no embanking to keep out the Salt Water, and a considerable portion of it would appear to have been at one time cleared of jungle. An abundance of large Soondree timber might be procured from this allotment, and from its proximity to a district already cultivated, fresh water at all times of the year might be obtained without difficulty. From its situation and capabilities, the land of this allotment offers many advantages to speculators.
Ditto.....	70,000	North, the Cheepa, Barweekhalee, and Kumarkhalee Khals.—East, the Balissur river.—South, the Dhamir river joining the Bholah with the Balissur river.—West, the Bholah.	The like remarks apply modified in so far as this allotment is to the south of the preceding one.

**NOTICE** is hereby given, that the undermentioned Two Allotments of Soonderbuns' Forest Land, Decreed in favor of Government by the Presidency Special Commissioner, on the 24th July, 1837, can be obtained on the usual Jungle-booree terms, upon application being made at the Office of the Commissioner of the Soonderbuns, at Allipore.

Name of Allotment.	Supposed area.	Boundaries.	Remarks.
Khowleeah Bar-risaul.	70,000	North, the Pangachee river, the Barweckhalee Khel, and the Jewdhooa river.—East, the Balissur river.—West, the Bholah river.—South, the Cheepa, Barweckhalee, and Kumarkhalee Khals.	This allotment is situated on the Western bank of the Balissur river, opposite to the cultivated lands lately resumed from the possession of the Zemindars of Pergunnah Seyadpore. It is high and dry, requiring little or no embanking to keep out the Salt Water, and a considerable portion of it would appear to have been at one time cleared of jungle. An abundance of large Soondree timber might be procured from this allotment, and from its proximity to a district already cultivated, fresh water at all times of the year might be obtained without difficulty. From its situation and capabilities, the land of this allotment offers many advantages to speculators.
Ditto.....	70,000	North, the Cheepa, Barweckhalee, and Kumarkhalee Khals.—East, the Balissur river.—South, the Dhamir river joining the Bholah with the Balissur river.—West, the Bholah.	The like remarks apply modified in so far as this allotment is to the south of the preceding one.

Soonderbuns, Commissioner's Office, Allipore, the 6th Sept. 1838.

G. T. SHAKESPEAR, Commissioner.
